## VACATION BIBLE SCHOOL A Yearly Tradition For the Children

One does not find “Vacation Bible School” (VBS) in the Bible. We are not commanded to have VBS by our Lord nor do we find the apostles establishing congregations in the First Century that conducted VBS. So why do we do it?

Anything we do religiously must be done by the authority of Jesus Christ and would be found written in the New Testament of the Bible. Some commands are specific and others general. An example of a specific command for all Christians is to remember Christ’s death every Sunday using unleavened bread and grape juice (*Acts 20:7, 1 Cor.11:23-26*). An example of a general command is to “**go into all the world and preach the Gospel**” (**Mark16:15**). Our Lord is not specific as to how we are to go. We can walk, drive, fly, sail; whatever means we have to obey the command to go. Likewise, there is a general command to teach our children about God “**And, ye fathers, provoke not your children to wrath: but bring them up in the nurture and admonition of the Lord.**” - Ephesians 6:4

VBS is one very effective way for parents to teach their children about God. The apostle Paul wrote to Timothy, his “son in the faith” and told him “**that from a child thou hast known the holy scriptures, which are able to make thee wise unto salvation through faith which is in Christ Jesus**” - 2 Timothy 3:15. There is no question that teaching our children the Bible is essential in establishing their faith.

But it must be a real faith, based on truth, facts, and evidence. The “faith chapter” in Hebrews 11 first defines it in verse 1, “**Now faith is the substance of things hoped for, the evidence of things not seen**”, and then demands it in verse 6, “**But without faith it is impossible to please him: for he that comes to God must believe that he is, and that he is a rewarder of them that diligently seek him.**” That is why we at the West Columbia church of Christ go all out when it comes to Vacation Bible School. Our children must see and take hold of the undeniable truths given directly by God, (*2Tim.3:16*) *All scripture is given by inspiration of God.* These truths will tell them who they are, where they came from and where they are going.

## —VACATION BIBLE SCHOOL (continued from page 1)

VBS is a marvelous opportunity to bring Bible characters to life and place God in man's history from the beginning of creation into eternity. Since I have been serving as the preacher at West Columbia we have had four VBSes with four different themes: Old Testament Heroes, New Testament Heroes, Jesus and God's Creation. Our VBS is usually the last week in July and runs for five nights, Monday through Friday. Classes are divided up by age groups and each night the children go to a different room prepared for what they will be studying that night. Imagine walking into Noah's ark or meeting an actual size Goliath (9'9") standing in full armor holding his spear. For Jesus there was a room for his birth complete with a manger, an underwater room for his miracles with a boat on the ceiling and a sinking Peter. And for his death a 10'x16' mural showing the intricate details of ancient Jerusalem in A.D. 33 complete with the temple, the streets that Jesus carried his cross on and Golgotha. The other wall had a scene in black depicting his crucifixion. The children's favorite room was the tomb that they could roll the stone away and walk into. This year we had dinosaurs and one massive tail coming into the room. We also provide a time for crafts, food for all, and excellent classes for adults.

Hundreds of hours are spent preparing and teaching and when one sees the excitement of the children throughout the week, returning each night with friends and crying when it's over, then he knows it was worth it all. VBS is an effort that all can be involved in and when the congregation works together for a common cause, a heavenly purpose, then spiritual growth is inevitable. I am forever grateful to be part of such faith building events and work beside such dedicated Christians as we carry out God's command to teach our children.

## **A Matter Of Bible Authority**

My objection to mechanical instruments in worship is not out of bitterness toward them; not because I think there is harm in the instrument, per se, but the objection is simply this: I have adopted the principle and pledged myself to the platform of not going beyond that which the Bible authorizes.

My digressive brother asks me, "Where does the Bible prohibit it?" I answer, "Where does the Bible authorize it?" Christians walk by faith (2 Cor. 5:7). No man can use mechanical instruments and walk by faith.

By searching the scriptures you will find that God does not authorize it, does not command it, does not demand it, and that there is no example in all apostolic history for such a practice. The man who is faithful and loyal to God's word will not go beyond it. "**Whosoever goeth onward and abideth not in the teaching of Christ, hath not God**" (2 John 9 ASV).
