

Temporarily, in conformance with the White House guidelines (listed on page 2):

- 1. The doors will be open for the 11 AM Sunday Assembly, Lord willing.** We will meet at tables in the multi-purpose room. Please space out. Folks are encouraged **not to shake hands or hug**, instead smile and wave. Authority: God, First Amendment
- 2. All other church meetings are cancelled until** further notice.
- 3. Attendance is not mandatory.** In accordance with White House guidelines, many members are not expected to attend. We understand and sympathize with this. It is purely an individual decision. We encourage people to decide carefully and prayerfully. Whatever your decision, we pray God will bless you.
- 4. The assembly will be broadcast via Facebook.** It will also be recorded for later viewing. Type in 'West Columbia Church of Christ (WCCOC)' into the Facebook search bar. We should be the first one to come up. Then click on it and ask to join the group. We will accept them soon after that request. They do not have to be a member of the group to watch live. At 11:00am, they should refresh the page, at which point the LIVE broadcast should be the first post and should be playing as a video. They just need to click on the video to play it. Any questions? Facebook message Sydney Metz Allen.
- 5. Lord's Supper:** The men that serve the Lord's Supper will hold the trays as they present them to each member. The bread will be in individual cups, as will be the fruit of the vine. Please only touch one cup, the one you will take. Keep the cups you take and dispose of them at the end of the assembly. Please do not replace the cups in the trays.
- 6. White House Guidelines are listed on Page 2.** All members are encouraged to follow them using their best judgment, considering the health of others.
- 7. Check the church website for the latest information:**

Full list of White House guidelines of Monday March 16, 2020:

1. Listen and follow the directions of your state and local authorities.
2. If you feel sick, stay home. Do not go to work. Contact your medical provider.
3. If your children are sick, keep them at home. Do not send them to school. Contact your medical provider.
4. If someone in your household has tested positive for the coronavirus, keep the entire household at home. Do not go to work. Do not go to school. Contact your medical provider.
5. If you are an older person, stay home and away from other people.
6. If you are a person with a serious underlying health condition that can put you at increased risk (for example, a condition that impairs your lung or heart function or weakens your immune system), stay home and away from other people.
7. Even if you are young, or otherwise healthy, you are at risk and your activities can increase the risk for others. It is critical that you do your part to stop the spread of the coronavirus:
 - Work or engage in schooling from home whenever possible.
 - If you work in a critical infrastructure industry, as defined by the Department of Homeland Security, such as healthcare services and pharmaceutical and food supply, you have a special responsibility to maintain your normal work schedule. You and your employers should follow CDC guidance to protect your health at work.
 - Avoid social gatherings in groups of more than 10 people.
 - Avoid eating or drinking at bars, restaurants, and food courts - use drive-thru, pickup, or delivery options.
 - Avoid discretionary travel, shopping trips, and social visits.
 - Do not visit nursing homes or retirement or long-term care facilities unless to provide critical assistance.
 - Practice good hygiene:
 - Wash your hands, especially after touching any frequently used item or surface.
 - Avoid touching your face.
 - Sneeze or cough into a tissue, or the inside of your elbow.
 - Disinfect frequently used items and surfaces as much as possible.
